## Your Journey

Step aboard Waverley at Greenock for your great day out. With spectacular scenery surrounding you, set sail past Loch Long before reaching Cloch point and Lighthouse. As you leave the Cowal coast behind, you get great views of the Isles of Bute, Arran and Cumbraes before arriving at Largs. Remember to pack your camera as there will be plenty of photo opportunities on this cruise and you will want to capture Waverley in all her glory!

Upon leaving Largs, you will set sail past the Isle of Bute with yet more impressive views of Bute and the Cowal Peninsula to your destination - Dunoon. Dunoon is Cowal's principal town and a typical seaside resort boasting a range of hotels, shops and eating-places. It is built around two sheltered bays. Enjoy a trip to Castle House Museum, Dunoon Ceramics, explore the resort or simply relax and take in the views.

Whilst on board, soak in the atmosphere of Waverley restored to her original 1940s style, and roll back time to a by-gone era. Enjoy a refreshment in one of the ship's period lounge bars or enjoy a hot meal in the Art Deco Dining Saloon – best booked in advance.

When on board Waverley there is so much to see and experience. Don't forget to go below and see the mighty steam engines propelling the famous paddles through the sea: an experience unique to Waverley!

*During your journey, passengers will disembark and embark at Largs, but there is not enough time for you to disembark and explore.*

## History and Heritage

Waverley is the last seagoing Paddle Steamer in the World! When you step aboard you are stepping back to a time when Paddle Steamers were an important part of coastal passenger and excursion trade.

Dating back to the 1800's, this tradition remains alive today only in the operation of Paddle Steamer Waverley. She is Britain's largest interactive exhibit.

Onboard you can learn about Britain's maritime history and its social contribution: from the heritage craftsmanship, to traditional seafaring skills through to the engineering masterpiece - the triple expansion engine at the heart of the ship turning the famous paddles.

The Captain, Officers & Crew look forward to welcoming you onboard to recapture the nostalgia of bygone days and enjoy a great day out.

## Eating & Drinking

Waverley has a restaurant which offers passengers everything from soups, sandwiches, snacks & afternoon tea to a 3-course meal. The menu is available to view on the website and onboard. You are not permitted to bring alcohol onboard but the ship has two lounge bars and a tearoom. You are welcome to bring packed lunches on board, however you cannot eat these in the ship's Dining Saloon as seats are reserved for passengers purchasing food onboard.

## Shopping & Souvenirs

There is a wonderful range of gifts & products including clothing, souvenirs and confectionery to suit all tastes & budgets. You can view some of these items at our online shop. To help you get the most out of your cruise, you can also pick up a cruising guide or map. You can even send postcards through the postbox onboard, hand franked with Waverley's stamp!
