## Your Journey

Step aboard Waverley at Glasgow Science Centre where cargo ships once sailed to all parts of the world. You will pass the Tall Ship, Glenlee, based at the Riverside Museum which was built on the site of the shipyard where Waverley was born, A & J Inglis.

As you pass Clydebank you will see the site of John Brown's shipyard, which built the famous ships QE2 and the Royal Yacht Britannia. You then sail under the Erskine Bridge and past Bowling Harbour, the entrance to the Forth & Clyde Canal and the town of Dumbarton. Leave the City behind as you enter into the Clyde Estuary with spectacular scenery all around. After a passenger pick up at Greenock, you will head across the mouth of the Clyde to Helensburgh.

Waverley will then continue to Dunoon sailing across the mouths of Gare Loch, Loch Long and Holy Loch. Enjoy this picturesque part of the journey relaxing on deck or exploring Waverley. Don't forget to go below and see the mighty steam engines propelling the famous paddles through the sea: an experience unique to Waverley! Remember to take your camera with you to capture some memories of the day.

Your destination is Dunoon. Dunoon is Cowal's principal town and a typical seaside resort boasting a range of hotels, shops and eating-places. It is built around two sheltered bays. Enjoy a trip to Castle House Museum, Dunoon Ceramics, explore the resort or simply relax and take in the views.

*During your journey, passengers will disembark and embark at Greenock and Helensburgh, but there is not enough time for you to disembark and explore.*

## History and Heritage

Waverley is the last seagoing Paddle Steamer in the World! When you step aboard you are stepping back to a time when Paddle Steamers were an important part of coastal passenger and excursion trade.

Dating back to the 1800's, this tradition remains alive today only in the operation of Paddle Steamer Waverley. She is Britain's largest interactive exhibit.

Onboard you can learn about Britain's maritime history and its social contribution: from the heritage craftsmanship, to traditional seafaring skills through to the engineering masterpiece - the triple expansion engine at the heart of the ship turning the famous paddles.

The Captain, Officers & Crew look forward to welcoming you onboard to recapture the nostalgia of bygone days and enjoy a great day out.

## Eating & Drinking

Waverley has a restaurant which offers passengers everything from soups, sandwiches, snacks & afternoon tea to a 3-course meal. The menu is available to view on the website and onboard. You are not permitted to bring alcohol onboard but the ship has two lounge bars and a tearoom. You are welcome to bring packed lunches on board, however you cannot eat these in the ship's Dining Saloon as seats are reserved for passengers purchasing food onboard.

## Shopping & Souvenirs

There is a wonderful range of gifts & products including clothing, souvenirs and confectionery to suit all tastes & budgets. You can view some of these items at our online shop. To help you get the most out of your cruise, you can also pick up a cruising guide or map. You can even send postcards through the postbox onboard, hand franked with Waverley's stamp!
